Subject: FW: Rob Callister's "alleged" sacking.

Caution: This email is from an external sender. Please take care before opening any attachments or following any links.

Dear Mr Cannan

Please note my exchanges of e-mails below with Ms Kate Lord-Brennan, which are largely self-explanatory.

You'll note that although I requested that Kate let me have a copy of the instrument under which you allegedly "sacked" Rob Callister, Kate has passed the parcel on my request by referring my request to you to deal with. Please let me have a copy of the instrument referred to.

Incidentally, Bernard Moffat has commented in this article from Mannin Branch Celtic League <https://tinyurl.com/9yrzk9dx> that "In this drip drip of pathos and fact another issue emerges, this time a letter from a DHSC departmental member wishing to resign from Rob's short lived empire. So what prompted a resignation? For now we can only speculate;"

Are you able to shed any light on who the Departmental member is, who has indicated his/her intention to resign?

Kind regards

Trevor Cowin
